

EVEN LOUDER

Faithful in the sanctuary
Faithful in the storm
Worthy in the empty spaces
Worthy in my song

A thousand years of endless praise
Will never be enough
Through it all my heart will cling
To Your unfailing love

Even if the drums stop beating
My soul will keep on singing
Even louder, even louder
Even when my eyes can't see it
I'll sing 'til I believe it
Even louder, even louder

You are holy in the highest places
Holy in the flood
Even in a world that's changing
I will lift You up

A thousand years of endless praise
Will never be enough
Through it all my heart will cling
To Your unfailing love

Even if the drums stop beating
My soul will keep on singing
Even louder, even louder
Even when my eyes can't see it
I'll sing 'til I believe it
Even louder, even louder

I will sing Your promise in the dark
of the valley

Until I see Your goodness in the
land of the living
I will sing Your promise in the dark
of the valley
Until I see Your goodness in the
land of the living

I will sing Your promise in the dark
of the valley
Until I see Your goodness in the
land of the living
Woah-oh-oh-ohh

Even if the drums stop beating
My soul will keep on singing
Even louder, even louder
Even when my eyes can't see it
I'll sing 'til I believe it
Even louder, even louder
Even if the drums stop beating
My soul will keep on singing
Even louder (Yeah)
Even louder (Even louder)
Even when my eyes can't see it
I'll sing 'til I believe it (Oh, I'll sing)
Even louder (I believe it, I believe it)
Even louder (Oh)

CHRIST BE MAGNIFIED

Were creation suddenly
articulate
With a thousand tongues to
lift one cry
Then from north to south and
east to west
We'd hear Christ be
magnified

Were the whole earth
echoing His eminence
His name would burst from
sea and sky
From rivers to the mountain
tops
We'd hear Christ be
magnified

O Christ be magnified
Let His praise arise
Christ be magnified in me
O Christ be magnified
From the altar of my life
Christ be magnified in me

When ev'ry creature finds its
inmost melody
And ev'ry human heart its
native cry
O then in one enraptured
hymn of praise

We'll sing Christ be magnified

I won't bow to idols
I'll stand strong and worship
You
And if it puts me in the fire
I'll rejoice 'cause You're there
too

I won't be formed by feelings
I hold fast to what is true
If the cross brings
transformation
Then I'll be crucified with You
(You can hang me there with
You)

'Cause death is just the
doorway

Into resurrection life

If I join You in Your suff'rings
Then I'll join You when You
rise

And when You return in glory
With all the angels and the
saints

My heart will still be singing
My song will be the same

GREAT ARE YOU LORD

You give life, You are love
You bring light to the
darkness

You give hope, You
restore

Every heart that is broken

Great are You, Lord

It's Your breath in our
lungs

So we pour out our praise

We pour out our praise

It's Your breath in our
lungs

So we pour out our praise

To You only

You give life, You are love
You bring light to the
darkness

You give hope, You
restore

Every heart that is broken

Great are You, Lord

It's Your breath in our
lungs

So we pour out our praise

We pour out our praise

It's Your breath in our
lungs

So we pour out our praise

To You only

All the earth will shout
Your praise

Our hearts will cry

These bones will sing

Great are You, Lord

It's Your breath in our
lungs

So we pour out our praise

We pour out our praise

It's Your breath in our
lungs

So we pour out our praise

To You only

GRACE ON TOP OF GRACE

Lord how You've loved me I
don't deserve

Grace on top of grace
More than I've asked for
more than I'm worth
Grace on top of grace

With Your grace on top of
grace

How sweet the sound once
lost now found
Heaven came down and
grace rescued me

Hallelujah I am free
From my sin and penalty
At the cross You took my
place
With Your grace on top of
grace

How sweet the sound once
lost now found
Heaven came down and
grace rescued me

With Your grace on top of
grace
With Your grace on top of
grace

BREAKTHROUGH

I am weary from the waves
crashing over everyday God
of mercy please come
rescue me

I am longing for Your voice
The gentle whisper in the
noise Father tell me
everything's all right

Your power Your presence
breaks strong holds King of
Heaven when You speak
mountains move I believe
there will be breakthrough

You alone can
take my scars and Piece by
piece restore my heart Take
what's broken Make it
whole again

Shake the mountains break
the walls apart Open the
heavens Almighty God You
are Overcomer Defender of
my heart By Your power the
oceans open wide Your fire
falls down Heaven and
earth collide King Jesus
forever by my side
