NAME _____ AGE _____ GRADE _____

This semester's **Grow@Home Activity** is called, What Can I Do Challenge! This activity helps kids figure out what gifts God has given them and how they can use those gifts to show God's love to other people!

Kids! Go find a grown-up! Ask them to answer these questions with you! Once completed turn this page into your Kid's Pastor for a prize!! (*Questionnaires can be turned in anytime between October 1st through December 31st.*)

If you had a free day to do anything you wanted, what would you do?

What are some things that come really easily to you?

What are you curious or really love learning about?

What are some things you've done to help someone else? How did doing those things make you feel?

Who are some grown-ups you know with really interesting jobs? Why do you think their jobs are interesting?

What are some problems people are facing that make you sad? How would you want to fix those problems if you could?

In your school, if you could do one thing to help someone else, what would you do? What about in your neighborhood? What about in your family?

There are so many easy things we can do to show other people God loves them! So what can you do?
