

DEVOTIONAL

for parents

In an art class, you'll discover everything you need to know about using your imagination to create brilliant pieces of art. Sometimes, the things you create can help solve a need or show the world something amazing about who God is. In this 4-week series, kids will hear about some of the amazing things God did through Elisha to help people imagine how their gifts could make a difference. They'll see how **God asks us to help each other**, **God can do incredible things**, and how **God helps us solve big problems**. By the end, we'll start to see the wonderful things we can do when we know **God gives us more than we can imagine**.

Want to learn and grow alongside your kid as we go through this teaching series? You can! Spend a few minutes each week **studying** the passages of Scripture we'll be teaching, **praying** about what God wants to do in you and in your family, and **growing** by putting God's words into practice in your own life.
