

DEVOTIONAL

for parents

Each season—fall, winter, spring, and summer—brings something unique and wonderful. From leaves changing colors to flowers blooming or animals hibernating, the changing seasons remind us that no matter what, God is with us through it all. In this 4-week series, kids will discover how we can respond to God in every season of life. They'll learn that **God's words are always in season, God leads us in every season, God hears us no matter the season, and we can thank God for every season.**

Want to learn and grow alongside your kid as we go through this teaching series? You can! Spend a few minutes each week **studying** the passages of Scripture we'll be teaching, **praying** about what God wants to do in you and in your family, and **growing** by putting God's words into practice in your own life.
